	THE MENU
	<p>Taking its name and decor inspiration from a royal drum of local legend, the MaKuwa-Kuwa's a la carte menu offers a wide variety of internationally-styled cuisines – with a hint of Africa! Impeccable service, mouthwatering meals, a wide selection of fine South African wines and incredible views make dining here an experience fit for royalty. A special daily treat for guests having lunch is witnessing the spectacular descent of hundreds of vultures flying in to feast in front of the waterhole and the breakfasts at Mukuwa-Kuwa are world-renowned.</p>
	ENTERTAINMENT
	<p>We recommend that diners be seated by 19h30 for dinner to enjoy our resident acapella performers whose harmonious traditional melodies make a fine accompaniment to an evening of superb food, great wines and a stunning view of the African night sky. Although not entirely by our own design, the calls of nocturnal wildlife and the occasional hyena, elephant or buffalo visiting the waterhole top off a truly incredible dining experience in a one-of-a-kind venue!</p>
	DRESS
	<p>Dress is smart casual. We recommend light clothing in the summer months (September – May) and warmer clothing in winter (from June to August) in the evenings.</p>
	HOTEL SHOP
	<p>An on-site shop sells some of the frequently requested accessories such as Boma cruet sets, polo shirts, <i>chitenjes</i> and caps. In addition, CDs of our traditional in-house entertainment are a favourite memento.</p>
